

## Weybridge International School of English (WISE) Prevent Risk Assessment and Action

The Counter Terrorism and Security Act 2015 places a duty on educational establishments to prevent people being drawn into terrorism and to challenge extremist ideas where they are used to legitimize terrorism. Schools must assess the risk of staff and students being drawn into terrorism and the action to be taken.

**Any questions relating to, or if there is a possibility of a student/staff member/visitor showing signs of, extremism/radicalization are to be referred to Amanda Thorogood, Prevent Lead. Amanda Thorogood will then report this to Managing Director, Liz Denham.**
